

FOR IMMEDIATE RELEASE

Airborne Engines Ltd & Keystone Turbine Services Announce Reduced Hydromechanical Unit Pricing

MCLEAN, VIRGINIA. January 22, 2021 – M International subsidiaries Airborne Engines Ltd (AEL) and Keystone Turbine Services (KTS) are pleased to announce effective immediately, special reduced pricing on Hydromechanical Units (HMU) certified for use on Rolls-Royce M250-C40/C47 series of gas turbine engines.

M International is celebrating our one-year anniversary of providing Triumph-approved HMU support by offering customers an additional **10% discount** from their 2021 published pricing for exchange units only, valid until 30 Apr 21 (subject to availability and on a first served basis).

The following HMU's are currently supported:

ROLLS-ROYCE ENGINE MODEL	AIRFRAME APPLICATION
C40B	Bell 430
C47B	Bell 407/GX/GXP
C47B/8	Bell 407GX
C47M	MD600

Please contact the following and make sure to mention this Press Release to take advantage of this limited time offer:
